Monthly Newsletter

April, 2017

. From the President...

It's April, and your Club is now open!!

We have an exciting year ahead.

John Rook has joined us as our new Pro. He has a lot of new ideas to enhance and improve our golf experience and participation.

Justin Carlson is our new Executive Chef. A new menu with monthly specials is complete.

Diandra and staff are also back, and Kyle is busy on the course.

Last year we were successful in maintaining a positive financial position, so we enter 2017 in good shape. As is usual, this time of year we still have outstanding dues to be collected. If our expectations are correct, we will be able to operate without assessments.

Check out our April calendar on our website. I hope to see you at our Spring Meeting at 6:00 pm on April 28, 2017.

Come out and enjoy your Club!

Myron Turfitt
President

at golf is bet-
ter than the
best day at
work!*

18TH Green

From the Golf Committee...

2017 brings about many changes in the pro shop and golf department. First and foremost, our new head golf pro, John Rook, has hit the ground running and is eager to serve the membership. He has several events planned for the membership. He will be sending out weekly updates via email – be on the look-out! The pyramid ball set-up is a great addition to the range. It has a very professional look as well as being more efficient to the golfer's needs. There will be a few new push-carts available soon. The old ones will be discarded.

Most exciting: we have incorporated the GHIN Handicap system through the WPGA (Western Pennsylvania Golf Association). This association provides many benefits and opportunities for the club and for the individual member. Please see John for more information.

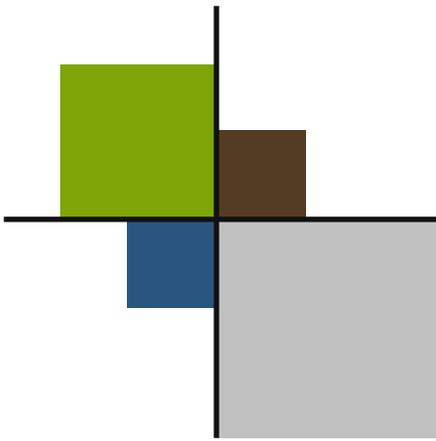

We welcome back John Chimenti and Marcus Hert to the bag-staff as well as newcomer, Jake Funari. The staff will be available on a limited schedule. With this change, please be aware that you may have to service yourself every now and again. John will be there every day; however with his limited staff, we ask for your patience.

This is a transition year for all of us with so many changes occurring at CVCC. Again, we ask for your patience and let's all think positive and have a great season!

If you have any questions/concerns regarding the golf department, please feel free to contact the golf chairs.

Sincerely,

Marlene Sandberg and Anthony Pellegrino, Jr.

From the Dining Room...

Happy Spring Everyone! The clubhouse is open and I am so happy to be back. Thank you all for having me for another great season.

We are very excited to have Justin Carlson back with us as our Executive Chef. We have a brand new menu with some great new choices. Justin will be running new nightly features, along with our Friday night Fish Fry and Prime Rib Specials.

Mr. Dale has updated the Facebook and CVCC Website. The menu and monthly calendar are now on CVCC's Webpage. Check the webpage for updates. Thank you very much Mr. and Mrs. Dale for all your hard work with the webpage and the tremendous amount of work you have done in the clubhouse.

We will be doing our Easter Buffet and hope all of you can join us. Please call with your reservations.

Our Spring Meeting will be on Friday April 28th. Please join us after the meeting for dinner.

We have a busy season ahead of us with weddings, showers, and graduation parties. We would love to book more. Please feel free to call me with any events coming up. I would love to help you plan them here at the club.

I hope everybody had a great winter. We are very excited to see all of you very soon. Please feel free to call me with any questions or ideas you may have.

Sincerely,

Diandra Morgan
