May, 2017

From the President...

2017 is off to a good start. The Spring Meeting was held last Friday evening with updates from the committee chairs. One important item that was discussed is our need to correct the flooding issues from Rhine Run on 15 and 16 and the damage along the creek between 9 and 14. Jerry Bancroft is heading the effort. The cost to accomplish this is \$22,500. We are hoping to be able to fund this entirely with member contributions. It's a project that must happen and we need your help. Please be generous and help out!!!

Come out and enjoy your club!

Myron Turfitt

## MOTHER'S DAY BRUNCH SUNDAY, MAY 14TH

RESERVED SEATING FROM 11 A.M UNTIL 1:30 P.M

### OMELET STATION

Made to order Omelets with a variety of toppings

Fresh Fruit, Deviled Eggs, Bacon, Sausage,

Stuffed French Toast, Blueberry Pancakes,

Kids Station & More!!

Call (814) 723-6480 for Reservations

Hope to see you here!

From the Superintendent,

It's spring again. Our, what seems like, endless wait is over. We are dusting things off and trying to get back into our routine. As always with spring conditions comes a heightened, if not warp speed, growth rate. We are doing our best to stay ahead of it with constant mowing efforts.

We are awaiting the return of our high school employees. They will be attacking the endless weed eating and trim work.

We are happy to say the drainage project on 3 has been completed. Shaping and edging of the renovated bunkers is up next on our to do list.

As mentioned at the spring meeting continued member donations will be vital in completing the project on 15 fairway. This entails the clean out of the Rhine Run creek. This is a considerable undertaking in the amount of work, equipment, and expense needed in this job. This project will also yield considerable course benefit. The proposed work will include the clearing of debris from the stream, the removal of gravel in front of 16 green, and also stream bank repair along 14. It is a huge undertaking for the crew to remove the gravel that gets washed onto the course. The debris needs to be removed before we can mow it. The gravel is catastrophic to all mowing equipment. Over the winter the stream flooded the course 3 times and with spring rain the problem will only get worse.

I hope to see many of you out enjoying your course in the beautiful weather that is to come.

From the Dining Room...

May is here! Welcome back to all of you who have recently come from down south. We are so happy to have you back.

Ladies, we will be having your Mexican themed opening dinner on May 9<sup>th</sup>. I hope to see you all here. Please join us for our Mother's Day Brunch. Justin is working hard on putting together a very nice buffet. We also will be having the Vince Messina tournament on May 20<sup>th</sup> and encourage all our members to sign up and play in this wonderful event. Our kitchen will be closing at 1:00 on this day.

We have had very good reviews on our new menu. Please let us know if you have any other ideas that you would like to see offered for lunch or dinner. The menu is now on our Facebook page and our CVCC website.

The grill will be opening at the end of the month, Memorial Day weekend. The pool will also open back up on Memorial Day weekend.

Please let me know if there is anything I can help you with. We have a great group of members here at CVCC and I look forward to another great season.

Sincerely,

Diandra Morgan
