September, 2017

From the President...

Another month has sped by. It was an active one for your club as you will see from the departmental reports.

We have received the permit for the Rhine Run project and work will start soon!!

We have raised about 75% of the funding and need about \$6,000 more to complete it. Thanks to all who have given so far.

So, we all agree we need to do this project. And we all know we need sand in many of our traps. With that in mind, for every dollar donated to the Rhine Run Project in September, Kirsten and I will donate 50 cents for sand. Help out just a little bit more and let's see your course in the best shape we can make it. THANKS!!

Greetings,

What a great season we have had so far this year. September is a busy month for us here in the clubhouse. We have a wedding, class reunion and several other groups this month. The grill is now closed on the weekends and you can order from the kitchen off of our regular menu.

Justin will be doing another seafood night in September. Please look at the monthly calendar for dates and emails will be sent as well.

I hope everyone has had a chance to enjoy the pool this season. The pool will be closing for the year on September 5th. You still have a few more days to come out and cool off.

We are still booking holiday parties for this holiday season. Please think about having your company holiday party here with us this year. We are also booking weddings and other events for next year. Please spread the word to anyone that may be looking to book a place for their upcoming events.

As always, I thank each and every one of you for making this a great season. I have enjoyed working with you all.

From the Pro...

Members,

First and foremost I would like to congratulate our Club Champions. The 2017 Men's Club Championship was won by Anthony Pellegrino who shot a 2 day total of 141, Anthony played solid all weekend to capture his first Club Championship at CVCC. Hallie Dubia won the honors of Ladies Club Champion to capture her 9th CVCC Championship title.

Nathan Sandberg won the historic Steeplechase event on August 10th. Nate outlasted John Wortman, 3rd, and Andrew Gignac, 2nd, to earn the 2017 Steeplechase title.

We have added two employees to help us finish out the season, Mr. Darrec Anderson and Ms. Lyndsey Goldthwaite. Both Lyndsey and Darrec have proven to be an asset to our Golf Staff and bring a friendly and personable attitude every day. Please introduce yourself and let them know if they can do anything to help enhance your time here at CVCC.

A great addition to our cart fleet this year were the green towels that come rolled up in all the carts. The towels have been depleting over the season so we here at CVCC are asking all members to please bring back any towels that may have accidentally made their way home with you.

PLEASE MAKE SURE TO USE YOUR SHOP CREDIT BY OCTOBER 10th. ALL SHOP CREDIT MUST BE USED BY THEN. ALL SPECIALS ORDERS NEED TO BE PLACED BY OCTOBER 1st.
