From the President...

Welcome to the 2018 season at CVCC. We are very excited to have Kyle, Dian-dra, John and Justin back. They have worked hard over the winter to put togeth-er ideas to make your experience at the club a great one.

The Board and our entertainment chairperson, John Wortman, are planning some special events for this season. If you would like to help organize these, please contact John and of course we would love to see everyone participate in them. As we have dates and details of these special events we will email the notices to you, so please make sure the office has your updated address.

Our new membership program through today has generated over 30 new mem-bers. Please help us double this number.

Please mark your calendar for the Spring Meeting on April 27th at 6:00. Chef Justin will have some special entrees for the dinner following. Hope to see you there. Think SPRING!!!

From the Pro...

I'm excited to be entering my second year here at the historic Conewango Valley Country Club. The golf department has put together a fun and exciting golf calendar for the 2018 season. We are really excited about the addition of our Tuesday Night Scramble League which will consist of two man teams competing in head to head matches against a scheduled opponent. Also along with the addition of numerous family memberships we are also focusing a lot of attention on the Friday Night Couples events and offering an exciting event each week for our family members. I want to thank the Board of Directors and the membership for the opportunity to serve the club again this year. To all the new members I anxiously await meeting you and introducing you to our beautiful facility. To the returning members I look forward to welcoming you back and making this a great year for all.

Returning Members from 2017

Please remember that you received a free membership to give away. To date we have received 30 new members and are looking forward to getting more.

Those members in the 35 and under category can give away a membership in that category. Social, non-resident A, individual golf and family golf can give away a family membership, or any combination of memberships where the value equals the cost of a family membership (\$3,850). For example they could give an individual and social, or an individual and an under 35.

If you have not used your free membership but are planning to do so, applications are available in the office or the pro shop. You can also use the application online even though this incentive is not listed there. If you are not going to use your free membership, please let the office know as there is a list of people needing a sponsor.

Should you have any questions, please call the office and we will return your call when we are in.

Thanks,

Board of Directors
