Dear Sir:-

I am in receipt of your favor of March 17th.

I expect to be in your neighbourhood about the end of April or beginning of May, and will be very glad to lay out the new golf-course regarding which you write.

Please let me know if you wish me to reserve dates for you about that time.

Yours very truly,

Dear Mr Crary:-

I am in receipt of your favor of April 25th. As I promised in my previous letter to you I will make every effort to take up the golf work for you about May 1st. I cannot possibly come earlier than that date.

All that I should want in the way of a map would be an out-line of the boundaries of the property on which the course is to be built. After I have completed the lay-out the services of a surveyor will be required to locate accurately the tees and greens. This work usually occupies one day or at the most two.

Yours very truly,

Donald J. Ross
